The Venture Design Challenge showed me how to put my ideas on paper and present them in a professional manner. It was a valuable experience that helped me develop my ability to pitch an idea. Now, it's your turn. Apply to join YC this summer! If you make the cut, YC will invite you to pitch your idea to a panel of judges in the Bay Area.

We would also like to thank the Lake Forest College Entrepreneurship Advisory Council for their support and guidance. We are grateful to our judges for their time, expertise, and encouragement.

Finally, we want to recognize the students who participated in the Venture Design Challenge. It was a bittersweet celebration for me as this was the first graduating class I welcomed as their mentor. I met them in ENTP 110 and was delighted to work with them again in our capstone ENTP 370 course. This offered me an opportunity to see how they applied what they had learned across our entire suite of ENTP courses.

We would like to thank the following members of the Entrepreneurship and Innovation Program at Lake Forest College. Members include David Moore, Craig Petersen, Ken Barber, Steve Dermont, Maggie Swansen, Connor Cahill, Steve Smith, Jim Crawford, Jeffrey M. Walters, Beth Marsh, Rob Pasquesi, Susan Wright, and L. Ellen A. Stirling, Dean DeBiase, Liam Connell '17, Christopher Nyren '99, John Dick, Sally Collister, David Gorter '80, Barrett Davie, Matthew Roszak '95, Edgar F. (Skip) Heizer, III, and Innovation Program at Lake Forest College. Members include David Moore, Craig Petersen, Ken Barber, Steve Dermont, Maggie Swansen, Connor Cahill, Steve Smith, Jim Crawford, Jeffrey M. Walters, Beth Marsh, Rob Pasquesi, Susan Wright, and L. We would like to thank the Lake Forest College Entrepreneurship Advisory Council for their support and guidance. We are grateful to our judges for their time, expertise, and encouragement.

WHAT ARE STUDENTS SAYING ABOUT THE VENTURE DESIGN CHALLENGE?

"The Venture Design Challenge was a fantastic opportunity to apply what I learned in my ENTP courses. It was a valuable experience that helped me develop my ability to pitch an idea." - Mona Hussein McCormack '22 co-founder of PlanOrganise

"The judges were incredibly supportive and provided constructive feedback. It was a great experience to get an idea out of the classroom." - Keano Chicalia '22

"The Venture Design Challenge showed me how to put my ideas on paper and present them in a professional manner. It was a valuable experience that helped me develop my ability to pitch an idea. Now, it's your turn. Apply to join YC this summer! If you make the cut, YC will invite you to pitch your idea to a panel of judges in the Bay Area." - Jerries Azar '22 co-founder of Blueview Glass

"However, the ENTP program at Lake Forest College allowed me to have the opportunity to participate in innovation competitions. I learned how to identify problems worth solving and how to mobilize the people, resources, environment, and culture to solve them." - Delaney Sjong '22 co-founder of Squad Sport

"Spend your summer in the Silicon Valley with YC and get the chance to pitch your idea to a panel of judges in the Bay Area! It's a great opportunity to showcase your idea to potential investors." - Manisha Kumar '21, 2022 mentor of the Venture Design Challenge.
