The Production environment was released to budget preparers as of Thursday, January 27 and Oracle Planning and Budgeting Tool (EPBCS) Open for FY23 Budget Entry.

The following enhancements have been made to the Budget & Finance, including Oracle Financials Cloud and Concur Travel & Expense. Our presenters reviewed the various resources available for navigating Oracle Procurement & Payables and instructed on how to best interact with them. This is a great Hot Topics: Navigating IPPS Resources eCourse.

Note that this is not an introductory course. Participants must first complete the associated course and then attend this professional development session. The course will be especially valuable for those responsible for approving requisitions and invoices, revising orders, and checking PO invoice status. This focus on topics such as reviewing for and populating POETAF information during the ordering process. This week's Office Hours will have an open Q&A. Starting February 3 until March 31, the Campus Budget Office will be hosting Office Hours every Thursday from 10:00am - 11:00am to support budget preparers throughout the planning process. This is an opportunity to provide support and assistance are an essential component to achieving the goal of reducing our default project balances and reducing unnecessary cost transfers. The first Default Day will be February 1, 2022.

A UCPath Alert was announced on January 25, 2022 with all of the Default Day details. Your support and assistance are an essential component to achieving the goal of reducing our default project balances and reducing unnecessary cost transfers. Please refer to the additional information.

We thank you for your continued support!
