To support budget preparers throughout the planning process, the Campus Budget Office will be releasing enhancements to the University Procurement Card Program, allowing you to filter based on Task End Date.

The following enhancements have been made to the University Procurement Card Program:

- Project COA Lookup
- Project Status, Project End Date, and Task End Date columns have been added to the Finance Help Line Blink page.

You Asked, We Delivered!

The Production environment was released to budget preparers as of Thursday, January 27 and will provide a single interface for procurement and payment requests.

Check out past Hot Topics sessions at any time on Blink:

- Fund Management Office Hours
- Budget & Finance Campfire
- Financial Management Online Training Session
- Finance Help Line Officially Launches Today!

Our presenters reviewed the various resources available for navigating Oracle Procurement & Payables, including Project Information, General Projects and Cost Transfers, Sponsored Projects Financial Management, Chart of Accounts, General Ledger, and Accounting. The webinar includes hands-on instruction on the use of Oracle Procurement & Payables.

This week's Office Hours will have an open Q&A. Please refer to the Finance Help Line blinking light to check out past Q&As and upcoming Office Hours.

You can follow the Finance Help Line campus notice on Twitter and be sure to try out the different calendar views in the upper right corner!

We would like to thank our agents and volunteers for their time and efforts during the launch period of the Finance Help Line. The testing and feedback provided from January 11 to 21 will help us improve the Finance Help Line support and assistance.

We thank you for your continued support!
