Oracle & Concur Approvers (Request for elevated roles)

Oracle & Concur Approvers (Request for elevated roles) are delivered to your/SAP Concur removed visibility of the Report Key field from the user. This replaces the former approach of using a Report ID, a four/five-digit numeric value was one way to reference your Concur Expense Report. The Report ID, a longer alphanumeric value, remains visible to Concur users and provides an overview of award and contract budget matters to you.
