About the Weekly Digest

From the team at the Office of Budget & Finance, including Oracle Procurement, Reimbursements, and Oracle Financials Cloud.

Announcements

Budget & Finance Weekly Digest

January is a month when you often learn about budget enforcement and strategies to address the need for increased revenues or costs. This month, we will continue to share an overview of some recent changes and new developments that may impact your budgeting and financial management processes.

Top Stories

- Oracle Financials Cloud
  - January Ledger is Officially Closed!
- Oracle Procurement
  - Commitments from Marketplace Purchase Orders
- Oracle BI & Financial Reporting
  - BI & Financial Reporting Updates

Contracts

- Oracle Financials Cloud
  - Slow Reports
    - We are actively working with Oracle on our performance issues causing such slow reports. Thank you to all the users who provided recordings and details - it will help us fix the problem.

Tips & Tricks

- Related to the trip should be on the same expense report. All expenses related to the trip are also to be claimed on a single report.
  - For Travel and Entertainment-related charges, expense reports should be submitted asap.

Best Practices

- Best Practices for Expense Report Submission
  - Please note that the week-long Oracle Financials Cloud is a recurring event on a monthly basis.
