Quick Tip: Searching with Dropdown Menus
- When using a prompt on a Cognos report that is a dropdown menu, don't scroll! Simply open the menu and start typing the first letters or numbers of the value you are looking for. Type as you normally would, without pauses between each letter and number.
- This week we will have open Q&A. Bring your questions and struggles. Nothing a fund manager can't figure out the source of a GL-PPM discrepancy? Can't figure out how to get your direct retro with cap gap to work? See a wire transfer?
