Fiscal Year-End Accounts Payable (AP) Accrual Process
Integrated Procure to Pay Solutions (IPPS) posts expense accruals annually during fiscal year-end. The accrual entries are prepared to post in the General Ledger (GL) only with project numbers for outstanding AP expenses of $2,500 or more that are in Oracle by the ledger cutoff date of July 7. The accrual process will start on July 10 to reflect in the GL on or before July 13. If adjustments need to happen after the departmental journal entry cutoff date of July 17, submit them for VC office approval by July 21. For more information, visit the AP Accruals for Fiscal Close page on Blink.
