Thanks to all, and we look forward to a successful FY23!

Amazon Business Payment Delays
Over the weekend, we became aware of a payment issue impacting our Amazon Business orders placed through the Oracle punch-out. We have updated the payment method which resolved the issue yesterday, February 13. Payments for any impacted orders will be automatically processed without any additional effort from the shoppers.

Financial Accounting Program: Upcoming Information Sessions
We invite you to hear more about the Financial Accounting Program by attending an upcoming Information Session. Click here to register for Thursday, February 16, 2023 @ 1:00pm - 2:00pm.

This program is currently being offered at no cost to you! We encourage you to share this information with your teams, colleagues, and those who may be interested in participating in the program or taking the assessment. We appreciate the
partnership with UC San Diego Division of Extended Studies and the support from supervisors across campus and health sciences.

PerkinElmer Planned Maintenance
Please note that PerkinElmer’s global ordering and fulfillment systems will be offline for planned maintenance Friday February 24, 11:00 AM PST – Monday March 6, 3:00 AM PST. Advanced Search orders received after February 24 will be queued until March 6 at 3:00 AM EST when they will be processed and sent to fulfillment. Request form orders will also be held and manually entered into the system by Customer Care starting on March 6. Please order ahead and avoid ordering from February 24 - March 6 if possible.

Timely Reconciliation of Travel & Entertainment Card Products
The Travel & Entertainment Card is an invaluable tool for our University travelers because it eliminates the need for travelers or event hosts to have to pay out-of-pocket for their University travel and entertainment purchases.

The use of the T&E Card can also greatly streamline the travel or event reconciliation process as transactions are automatically posted right to the Cardholder's Concur profile, where they can easily be added to their applicable expense report. It is important to keep in mind that after making purchases with the T&E Card or with our other University card products, that it is the Employee’s responsibility to promptly reconcile all of their card transactions in Concur.

All Travel and Entertainment Card Product transactions (including T&E Card, CTS Air, CTS Hotel, and T&E - Temporary Virtual Card), are required to be reconciled within 45 days from the end date of the trip or event.

Purchases that are made in advance of travel, such as flights or conference registrations should be added to the Expense Report that they belong to. This will push the 45-day reconciliation window forward to the travel end date that is noted in the expense report. Assigning the transactions to a work-in-progress expense report will indicate to Concur that it can stop sending any of the unassigned transaction notification emails that it normally sends to employees.

Procurement Card Reconciliation Reminders
UC San Diego's Procurement Card is a Visa Card Product for faculty and staff who have buying responsibilities. The Procurement Card eliminates the need for employee out-of-pocket expenses and simplifies buying and paying for most routine, low-cost goods, and services under $4,999.

Some of the benefits include the following:

- Accepted by all vendors that accepts Visa
- Ensures immediate payment to vendors
- Eliminates purchase order and invoice processing
- Combines ordering and paying into a single process
- Includes payment information such as Transaction Date, Posting Date, and Vendor Name

Procurement Card Cardholders are reminded to ensure transactions are expensed in Concur and Expense Reports are submitted within the month they occurred. Transactions are considered aging, if they have not been expensed within 30 days of the purchase. Read the KBA for instructions on how to reconcile transactions and create a Procurement Card Expense Report.

Need assistance with reconciling your expense reports? A Procurement Card Cardholder can submit a Procurement Card Delegation of Authority Request, delegating the authority for a Concur Delegate to complete and submit a P-Card Expense Report on your behalf. The Procurement Card Delegation of Authority Request is a one-time request and MUST be submitted by the Procurement Card Cardholder. The submission of the Procurement Card Delegation of Authority Request cannot be delegated. Once the Procurement Card Delegation of Authority Request is approved by the P-Card team, any Delegate you've assigned within your Concur profile will have the authority to submit a P-Card Expense Report on your behalf. Read the KBA for instructions on how to properly submit Procurement Card Delegation of Authority Requests.

Financial Operations: Accounts Receivable (AR) & Project Portfolio Management (PPM)
Alert - Core Scientific, Inc. filed for Chapter 11 Bankruptcy on Dec. 21, 2022. Contact Accounts Receivable via a Services & Support ticket if your department has unpaid invoices and are owed funds from Core Scientific, Inc.

Please send tickets to the following for proper routing:
The Receivables Aging Report (BAH-Business Analytics Hub) issue has been fixed: the “Greater than 180” bucket is now functioning again.

Coming soon: emails for PPM invoices will be sent out to campus users about invoice approvals or rejections. Review upcoming campus alerts on invoices and cost transfers for further updates.

FY23 Compensation Resource Allocation Correction for February Ledger & FY24 EPBCS Target Budget Adjustments

There was a mis-calculation of recurring resources related to compensation that will be corrected in the February ledger period. Prior to posting the corrections, we have consulted with the Vice Chancellor Offices for guidance on how the adjustments should be posted to ensure that it was done in the most accurate and effective way possible. For the EPBCS budget development currently underway, the Target Budget for 2024 has been adjusted accordingly to reflect the corrections for the Financial Units impacted at the Financial Unit-Fund-Function-Project level. The Target budget adjustment was necessary to ensure that the budgets are accurately reflecting the resources adjustments and accuracy of budgeting moving forward. A direct communication with more detailed information and contact resources has been sent directly to EPBCS
Final Training Sessions Remain for the 2023-24 Campus Budget Development Cycle. Don’t Forget to Register for Training!
