Orion launches new website for growth-minded advisors

The new orion.com reflects Orion's identity as the premier provider of the tech-enabled fiduciary process and combines Orion's brand entities — Orion Advisor Tech, Orion Portfolio Solutions, Brinker Capital Investments, Redtail Technology, and TownSquare Capital — to better demonstrate Orion's complete technology and wealth management offering.

Manage Your CRM Series: Manage Your Database Contact Lists

Redtail CRM offers you many opportunities to customize your CRM, both at the individual and at the database level. Our latest installment in this ongoing series is available now:

Manage Your CRM: Manage Database Contact Lists

Your input is invaluable!

You, as a Redtail subscriber, are at the core of everything we do. To ensure we're delivering the best possible experience for you, we're launching a Net Promoter Score (NPS) survey program to better understand your needs, followed by an action plan for improvement. You may receive an NPS survey email soon from us asking about your experience. We encourage you to fill out the survey and provide candid feedback so we can better support you and your clients.

What's new in integrations?

GReminders helps put an end to no-shows through its automated scheduling and reminder solution for professionals. This updated integration allows you to automatically map answers that your clients submit during scheduling to User Defined Fields (UDFs) in Redtail CRM.

NextGen Bridge, powered by ProtectHeir, is a self-service solution for executors that prevents the risk of estate fraud and deceased identity theft by making it easier for the executor to notify organizations of the passing of a loved one. With this new integration, client information from Redtail pre-populates information in NextGen Bridge at the time of fulfillment, making the job of the client's executor both easier and quicker.

Hunger hurts kids every day. Your donation helps feed them.

Today, 1 in 8 kids is at risk of hunger in America. But you can help!

For each one of you who completed our 2022 Annual Survey, we recently donated \$1 to No Kid Hungry, for a total of \$3904 donated. Through No Kid Hungry's investment methods in this work, \$1 can help provide 10 meals for kids - [learn how here](#).

We thank you so much for your participation which allowed us to make this donation, and encourage you if you are inclined to explore No Kid Hungry's mission further and donate to this cause.
