What's New

- Exponent Completes Phase Two Of First Responder Mobile Authentication with OPALITY Project

- **NEW** Identity Proofing and Verification Use Cases Discussion Group (BPV Use Cases DG) will gather use cases from organizations that perform or require identity assurance. The BPV Use Cases Group is an important contribution to the standards effort. The ISGSii Working Group has solicited use cases for inclusion in the standards. To contribute a group of use cases, contact the ISGSii Working Group Chair (ISGSii@kantarainitiative.org) and attach a document containing the use cases. The ISGSii WG will review the use cases and invite the contributors to a workshop to discuss them. All use cases will be made public.

- At the ISGS conference, OPALITY Consultant Founding Member Mark Lizar opened Kantara’s 1st face-to-face conference with a presentation on expanding Privacy, Security & Surveillance, followed by Oscar Santolalla from Ubisecure walking the audience through Kantara’s Consent Receipt Interoperability Project, and finishing with “The Rhythm of Kantara” orientation presented by Executive Director, Colin Wallis.

- **Identity Consent from “The Rhythm of Kantara” as you browse a roadmap of test month activities and important information from Kantara’s Executive Director, Colin Wallis. Nurture, Develop, Operate – that’s what we do.**

**Think. Digital Identity for Government**

November 29, 2018 | London, UK.

Think. Digital Identity for Government is the first public sector-directed conference following the announcement of the troubled Gov.UK Verify program's final contracts and future re-baselining. It will feature a range of speakers from the private and public sectors including Kantara’s Executive Director Colin Wallis and Cheryl Stevens, DWP Digital’s Deputy Director, Identity & Trust. A lively and informed debate is guaranteed - not to be missed!

Kantara members receive £50 off the private sector ticket price by emailing matt.stanley@thinkdigitalpartners.com using reference: KANT11.2018.

Tickets are free to public sector attendees.

**Data Privacy, Management, and Security Solution Partner Jamboree**

November 30, 2018 | IBM London, UK.

Attention European members: The IBM Data Privacy, Management, and Security Solution Partner Jamboree is an event focusing on practical solutions and implementation for data privacy under the new GDPR and other data related regulations. Technology Solution Companies can showcase products to IBM, The Trust Bridge, and IBM’s key distribution partners with a view to developing alliance partnerships. Executive Director Colin Wallis will be included in a panel of experienced CIOs, CISOs and Data Privacy Specialists.
