Budget & Finance Community of Practice

The Budget & Finance CoP is a learning network designed to improve the financial management capabilities of our campus community. We invite you to join in one of two ways: participate!

1. Attend the event?
2. Complete the post-event survey to inform future events.

Case Study: 
On November 12, customer billing statements were sent in error from our test environment. We reviewed which OFC reports are most frequently used by departments to find that they often use Narrative report, Labor Ledger – DOPES, as well as other reports from the Employee Activity and/or Project report.
