Two exhibitions - one special evening

[Untitled, 2017. Gouache on panel](#)

Dan Tranberg

Untitled, 2017

A tradition that spans more than eight decades, the [Faculty Exhibition](#) is a celebration of art, design, and their makers. It provides an opportunity for the public to view new, original and innovative works from our world-renowned faculty. The show runs through October 8 in CIA's Reinberger Gallery.

We also invite you to [Dan Tranberg: So vivid. So luminous. So fluorescent](#) in the Ann and Norman Roulet Student + Alumni Gallery. This show celebrates our beloved colleague, teacher, and friend as we continue to mourn his passing on May 29. The exhibition is on view through October 13, when a memorial service will be held at 5pm to celebrate his art and life.

Both shows open with a public reception on August 31 from 6 to 8pm. We hope to see you there!
