A Time for Depth & Discovery

While 2020 has had its challenges, our Young Life College, Young Life and Wyldlife leaders continue to rise to the challenges of pursuing students with the hopes of sharing the life transforming news of Jesus! As with everyone else we've had to adjust our plans away from large gatherings. However, the one to one and small group relationships between

leaders and students has always been at the heart of what we do best in YL, and that is thriving as much as ever. We have groups using zoom, facetime and other technology to their advantage to draw closer together. We have leaders meeting for coffee, lunch and other snacks with masks on, keeping with local, state and national social distancing guidelines. We use backyards, side porches, driveways, walks and everything else in between to spend time together having meaningful conversations about life and what Jesus thinks of us! We're grateful to the many families who've shared their yards, porches, firepits and garages

Monthly Spotlight

Eno River Academy WyldLife

In the days before our world changed with the global pandemic reaching us locally, a couple of staff, a committee member, and some parents from Eno River Academy met to dream and discuss WyldLife ministry there. Well, Covid 19 impacted our hopes to get this going more quickly, however, we do have a volunteer team of UNC students in place who have been meeting ERA students any way they can, most successfully through tutoring. Even in times different as they may be, we are creatively pursuing students. ERA WyldLife leaders in their pursuit of new relationships will be at an event hosted by a wonderful family Oct. 23. Join us in praying for healthy, new and life changing friendships. Contact team leader Kathryn Burnett at knburnett21@gmail.com.

Prayers for our Area

- Participants for our Clay Shoot on Oct. 24th

- For leaders and kids to connect at Eno River Academy's event on Oct. 23rd
- For Campaigner groups, as the continuing meeting all around the area, that they would get to enjoy safe in-person and/or zoom socialization and in-depth conversations
