Foundation Endowed Chair Recurring Transfers
If you have a Foundation endowed chair (fund number starts A-L) that was set up for recurring transfer from the Foundation to the UCSD ledger, please submit a new transfer request with appropriate approvals. The recurring transfer between ledgers for endowed chairs expires each June 30th so we can comply with PPM 230-8. The form and instructions can be found here.

Recurring transfer requests for other endowments or current use gift funds will continue to process to the chart string originally provided until a ticket is submitted requesting us to stop the recurring transfer. If you’d like to make a change to where the recurring transfer is posting, please submit a new recurring transfer form and we will be happy to update our records.

We Are Hiring! 
Do you know someone who loves keeping everything organized and is super detail-oriented? We are in search of a Project Coordinator to manage all of our report development projects, write Blink content, and provide first-line ticket support. They’ll get the inside scoop on what’s happening with financial reporting and will gain a broad knowledge base on using Oracle and reading financial data. This would be a great position for someone who wants to get into fund management, but doesn’t yet have the right experience.

Tips & Tricks
Sharing lodging with colleagues while on university travel status to reduce costs?  
We understand travelers may choose to share lodging to offset costs. This aligns with policy. Keep in mind that group travel must have an assigned group leader. Otherwise, travelers will need to cover and reconcile their individual business travel expenses such as transportation, meals etc. under their own Concur profile.

When possible, you can request that the hotel split the charges into separate bills. In a case where travelers share a room, the person who paid in full should be the only one requesting reimbursement. Note that the receipt(s) must show the separate charges. To satisfy the requirements for lodging reimbursement, receipt(s) must state the following: the name of the traveler, the dates of stay, the nightly rate, a breakdown of taxes/fees/incidental expenses, and a form of payment. Reimbursements for personal transactions between travelers such as Venmo, Zelle, etc. cannot go through Concur and must take place between individuals outside of the system. This information is also included in this Blink site.
