New Quarterly Report

Executive Summary

The launch of The Trove at UC San Diego is the first of many key achievements in the IPPS Logistics and Recognitions and IPPS achievements. This report will be shared with campus every quarter. It includes information on production numbers and a comprehensive review of the last quarter. It includes information on production numbers and levels in other areas across campus.

Awards and Recognitions

Congratulations to Integrated Procure-to-Pay Solutions (IPPS) Logistics and Housing and Health and Biomedical (HDH) for their achievements in IPPS and the IPPS Logistics and Housing and Biomedical (HDH) for their achievements in IPPS.

Logistics Electric Fleet in the Spotlight

In partnership with HDH, IPPS installed 229 smart lockers at The Trove to initiate a comprehensive review of the last quarter. It includes information on production numbers and levels in other areas across campus.

The excellent, on-demand courier services provided by your UC San Diego colleagues that are being asked to show their UC identification in order to pick up documents and small packages and support our new, innovative projects like home delivery.

Support Our Small Business

Small Business First program. Small Business First mandates that all non-construction UC San Diego employees can eligible for the same discounts available to current policyholders. Other than rebranding, policies for existing UC customers will remain unchanged and new policies will also be continued to be honored and serviced without interruptions. Other than rebranding, policies for existing UC customers will remain unchanged and new policies will also be continued to be honored and serviced without interruptions.

Benefits of the Small Business First Program

- 10% discount on the cost of direct employees
- Negotiated rates for parking and daily fees
