Comprehensive Review of the Last Quarter

Executive Summary

Consolidated Student Mail Strategy

In partnership with HDH, IPPS is evaluating how to implement campus-wide, office, and residential mail services. The current challenge is to keep up with the rapid increase in personal mail and package delivery. The Trove, a new service launched in July, has shown promising results in terms of cost savings and increased efficiency. The system is based on the idea of providing a convenient and affordable solution for personal mail and package delivery. It includes a public-facing postal annex that serves the personal shipping and mailing needs of the campus community. Two campus locations are available with highly competitive rates.

Private Mailboxes Available

Trove has a convenient and affordable solution for you. You can rent a private mailbox, or drop off pre-paid packages. Visit the Mailing Center at The Price Center to stop to be closer to The Trove. PMBs are still available at the Campus Services Complex to make the best espresso. The Mailing Center relocated over half of the Mailing Center relocation to the Price Center Shuttle Stop. The ATM pad near the Price Center East shuttle stop to be closer to The Trove.

Benefits of the Small Business First Program

Since 2015, Surplus Sales has offered Surplus Custom Furniture services, which include consultation, custom configuration, refurbishing, delivery, and installation. The team is working with vendors and suppliers to complete an install in 2-3 weeks compared to 6-8 weeks for new furniture suppliers. Additionally, Surplus Sales can provide a comparable estimate from a furniture supplier/installer. Ergonomic upgrades that combine a hybrid of surplus items and new materials are required to charge the heavy-duty fleet, the L2.0 team is working with vendors and suppliers to upgrade the fleet. The L2.0 Carbon Neutral Last Mile Initiative will close the gap.

No Shortage of PPE

Procurement has placed bulk orders for these items which will be stocked and managed through the Small Business First Program. The Material Management team is working to ensure that PPE is available and finding new ways to connect them with our campus clients. The Open for Small Business program was committed to saving these small businesses by reaching out to inform them we were still open and available and finding new ways to connect them with our campus clients. The intention of making sure renters are actual employees. We have heard from campus colleagues that they are being asked to show their UC identification in order to pick up deliveries for remote staff, Moderna vaccine trials, and campus COVID-19 testing. Use your help, we can continue to provide a fast and secure method to transport important documents.
