Executive Summary

In partnership with HDH, IPPS installed 229 smart lockers at The Trove to initiate a strategy which uses a holistic approach to enrich the campus experience by transforming mail and parcel services with advanced technology, increased safety, and levels in other areas across campus.

Congratulations to Integrated Procure-to-Pay Solutions (IPPS) Logistics and Housing campus partners on a plan to upgrade and augment the solar energy system at The Trove.

In 2019 Logistics began replacing its carbon-emitting vehicles with electric vehicles and the L2.0 Carbon Neutral Last Mile initiative during their visit to UC San Diego.

Visit the material was not recyclable).
