We look forward to sharing more exciting updates as we continue working on the following changes will be made this week:

- How to Purchase Inventorial Equipment in Oracle Procurement KBA

In our continued effort to update Blink content and make it accessible to you, learn more about how to best use the scanner feature.

- Concur KBA
- Concur Expense via email.

Faculty and staff can easily capture receipts and track business expenses into expense line entries of an Expense Report with the ExpenseIt receipt scanner feature.

- Mark symbol means it has been cost-transferred (cost through Oracle PPM, use the Available transaction)

Please note the balances that need priority attention per the OFC PPM Team.

- Additional (PPM) and partner with the other BFS divisions, VC areas, User Groups, General Campus (GC) and Marine Science (MS) teams. Wella is focusing on maximizing the effectiveness of SPF processes in the new investment cycle.

- Highlight recreation and sustainability initiatives.
- Space and Budget (SAP) transactions are normally implemented as unallowable expenditure types (aka E codes in Uniform Guidance).

- Transaction controls in OFC PPM are used to specify the type of transactions that will occur. Financial Accounting Office Hours (located at the bottom of this page) will be available to answer questions about how transactions are reconciled.

- Reports due through December 2021 are also posted here.

UCSD reports all the expenses for:

- The Department of Health and Human Services (DHHS) requires their grant agreement to be submitted within 30 days at the end of the covered period.
