2023 T3/Inside Information Advisor Software Survey results

The 2023 T3/Inside Information Advisor Software Survey Results were released in mid-March at the T3 Advisor Conference held in Tampa.

Several highlights:

- **Orion took the top spot in the All-in-One Software category** with the #1 market share, and a 7.73 user rating (a rating of 7.0 or higher equates to a high degree of satisfaction)
- **Redtail held the #1 market share in the CRM category**, with an average user rating of 8.10, landing Redtail CRM among the Software All-Stars
- **In the Portfolio Management/Reporting Tools category, Orion is #1 in market share**, taking the top spot this year, with a user rating of

We understand you have many tech options from which to choose in this space and we are humbled and appreciative once again at the love expressed toward Orion's and Redtail's solutions.
