RESPONSE: AI for Earth Innovation

Funding: Ray C. Anderson Foundation

Activity Type: Conference

Participant Details: Any individual, group, or organization involved in AI for Earth innovation.

Location: International Conference Centre, Geneva, Switzerland

Date and Time: 9am - 12pm EST, October 2020

Estimated Funding Amount: $1,000,000

Contact: Ginger Potter

Deadline: Proposals accepted at anytime

Additional Information: This conference aims to bring together experts from various fields to discuss the latest advancements in AI for Earth innovation.

Upcoming Mason Events

1. Pandemic Response and Resilience Workshop
   - Location: Virtual
   - Date: April 24, 2020
   - Time: 9am - 12pm EST
   - Funding: $1,000,000
   - Contact: Ray C. Anderson Foundation
   - Deadline: Multiple

2. Earth Day Week Conference
   - Location: Virtual
   - Date: Multiple
   - Time: Multiple
   - Funding: $1,000,000
   - Contact: Ginger Potter
   - Deadline: Proposals accepted at anytime

3. Faith Alliance for Climate Solutions: Tree of Life
   - Location: Washington DC, Stockholm
   - Date: Multiple
   - Time: Multiple
   - Funding: $1,000,000
   - Contact: Ginger Potter
   - Deadline: Proposals accepted at anytime

4. Earth Optimism Summit 2020
   - Location: Virtual
   - Date: Multiple
   - Time: Multiple
   - Funding: $1,000,000
   - Contact: Ginger Potter
   - Deadline: Proposals accepted at anytime

5. Micropollutants Net Impact Competition (MNP)
   - Location: Virtual
   - Date: Multiple
   - Time: Multiple
   - Funding: $1,000,000
   - Contact: Ginger Potter
   - Deadline: Proposals accepted at anytime

6. Synlogic Analysis of 42 Fecal Samples
   - Location: Virtual
   - Date: Multiple
   - Time: Multiple
   - Funding: $1,000,000
   - Contact: Ginger Potter
   - Deadline: Proposals accepted at anytime

7. Primary Investigator (PI): for Intelligent High-Resolution Snow Cover Inference from Remote Sensing Data
   - Location: Virtual
   - Date: Multiple
   - Time: Multiple
   - Funding: $1,000,000
   - Contact: Ginger Potter
   - Deadline: Proposals accepted at anytime

8. Pandemic Response and Resilience Workshop
   - Location: Virtual
   - Date: April 24, 2020
   - Time: 9am - 12pm EST
   - Funding: $1,000,000
   - Contact: Ginger Potter
   - Deadline: Multiple

9. Microplastics in the Environment
   - Location: Virtual
   - Date: Multiple
   - Time: Multiple
   - Funding: $1,000,000
   - Contact: Ginger Potter
   - Deadline: Proposals accepted at anytime

10. Ecosystem Services and the SDGs
    - Location: Virtual
    - Date: Multiple
    - Time: Multiple
    - Funding: $1,000,000
    - Contact: Ginger Potter
    - Deadline: Proposals accepted at anytime

11. Data-driven Decision Support for Agriculture
    - Location: Virtual
    - Date: Multiple
    - Time: Multiple
    - Funding: $1,000,000
    - Contact: Ginger Potter
    - Deadline: Proposals accepted at anytime

12. AI for Earth Innovation
    - Location: Virtual
    - Date: Multiple
    - Time: Multiple
    - Funding: $1,000,000
    - Contact: Ginger Potter
    - Deadline: Proposals accepted at anytime

Additional Funding Opportunities

1. The National Institute of Environmental Health Sciences (NIEHS)
   - Location: Virtual
   - Date: Multiple
   - Time: Multiple
   - Funding: $1,000,000
   - Contact: Ginger Potter
   - Deadline: Proposals accepted at anytime

2. The Office of Science, Department of Energy
   - Location: Virtual
   - Date: Multiple
   - Time: Multiple
   - Funding: $1,000,000
   - Contact: Ginger Potter
   - Deadline: Proposals accepted at anytime

3. Environmental Protection Agency
   - Location: Virtual
   - Date: Multiple
   - Time: Multiple
   - Funding: $1,000,000
   - Contact: Ginger Potter
   - Deadline: Proposals accepted at anytime

4. Lockheed Martin Integrated Systems
   - Location: Virtual
   - Date: Multiple
   - Time: Multiple
   - Funding: $1,000,000
   - Contact: Ginger Potter
   - Deadline: Proposals accepted at anytime
