The ISE Newsletter provides up-to-date information on conferences, funding opportunities, and pressing sustainability and resilience challenges.

The Institute for a Sustainable Earth (ISE) is engaged in supporting the UN Sustainable Development Goals, but we also wish to create synergies between these initiatives and other related efforts. Here are some highlights from recent events and opportunities:

**The 8th World Sustainability Forum**

- *Title:* "Promoting Health Equity and Reducing Inequality: Different Scenarios for Ending Isolation*
- *Date:* April 22-23
- *Location:* Virtual

**Faith Alliance for Climate Solutions: Tree of Life**

- *Synlogic Operating Company, Inc.*
- *Funding source:* National Science Foundation
- *Funding amount:* $100,000

The forum aims to address health-related challenges in sustainability and resilience, and we encourage participants to explore these themes in more depth.

**Additional Funding Opportunities**

- **AI for Earth Innovation**
  - *Funding amount:* $1,000,000
  - *Deadline:* May 29, 2020

These resources are just a few examples of the many opportunities available. For a comprehensive list of available grants and funding, please visit our website.

Wishing you wonderful Earth Week!
