**Updated Oracle ADF Desktop Integration Excel Add-On Available 03/20/2023**
Do you use excel to upload transactions in Oracle? If so, a new version of the integration add-in will be available beginning Monday March 20, 2023.

**PADUA 2.3 Release Coming Soon**
The Project and Award Data Update Application (PADUA) will have new features released this month. Release 2.3 will include updates to Award Personnel and request updates to sponsored projects (with final approval through SPF). It will also allow for the ability to update General Project start dates and update the project status (closed/open). Recharge projects and tasks requests will now have workflow to CP&A. These updates are scheduled to be released March 17, 2023.

**Daily Cost Transfer Emails Were Delayed**
It was recently identified that the daily cost transfer emails that are sent to PIs and PMs were not sent between Jan 13 through Mar 7. These emails were resent 3/10/23, but had the current date instead of the original date.

**New Emailed Reports Have Been Delayed**
The new reports announced in the 2/28/23 Digest were delayed. There were some technical difficulties and subsequently went live on 3/10/23 - 3/14/23.

**Oracle Project Cost Adjustment Workflow Notification Updates Coming 03/17/2023**

In August 2022, the Oracle Workflow Notifications were updated to include more detailed information to allow you to take advantage of the ability to approve pending transactions via email. We’re happy to announce that Project Cost Adjustments (Cost Transfers) has also been updated. This is an additional enhancement from the Oracle updates to Project Cost Notifications in late December 2022. Upcoming release date of March 17, 2023.
