A promotional poster for the Range: Undergraduate Research Journal. The background is a solid orange color. At the top, the word "RANGE:" is written in large, bold, white, sans-serif capital letters. Below it, "UNDERGRADUATE RESEARCH JOURNAL" is written in a slightly smaller, bold, white, sans-serif font. Underneath the title, the text "Nov 1st Submission Deadline" is displayed in a bold, dark blue font. To the left of the center, there is a bulleted list in dark blue: "• Diverse content welcome", "• Papers", "• Abstracts", and "• Reflections". To the right of the list, there are three illustrations: a white analog clock with a dark blue face and hands, a stack of four books with dark blue spines and white pages, and a laptop computer with a dark blue frame and a white screen showing a checklist with two items marked with checkmarks. At the bottom left, the University of Utah logo (a stylized 'U') is shown next to the text "Office of Undergraduate Studies" in a small font, "UNDERGRADUATE RESEARCH" in a bold font, and "THE UNIVERSITY OF UTAH" in a small font. The URL "our.utah.edu/range" is written in a bold, dark blue font in the bottom center.

Want to publish? *RANGE: Undergraduate Research Journal* is now accepting submissions for Issue 2 of 2024.

Please refer to our guidelines for more information on formatting.

Submissions must be received by November 1 to appear in this issue. [Click here for more info.](#)

NIIMBL
eXperience

Want more experience? The U recently joined NIIMBL as an academic member institute, and U students are invited to apply to participate!

The NIIMBL eXperience program is an all-expenses-paid biopharmaceutical manufacturing immersion program for university and community college students who have completed their first or second year of study. The program strives to diversify the school-to-industry pipeline by introducing students to insights and opportunities in the biopharma manufacturing industry.
