Hello Ram Fam,

As stated by the US Department of Health, PA Department of Health, and the Chester County Health Department, it is recommended to refrain from social gatherings, including hosting at home, and to practice social distancing of maintaining a 6 foot distance from others as much as possible.

Is it recommended to host or participate in social gatherings?

If I am remaining at my rental, may I seek health care at Student Health Services if I am sick?

If I do not return to my rental property, will my rental be safe?

Whether you are away for a quick trip and/or the remainder of the semester, it is always recommended that you inform your neighbors and/or property owner/manager if you will not be returning to your rental property.

What is social distancing?

And you will receive notification upon their decision.

I would like to have my lease reviewed by Free Legal Services.
