**Words Like Water:
Queer Mobilization and Social Change in China**
中國的性別多元運動與社會變革
August 8, 2024 | 6:30pm HKT

Caterina Fugazzola
Assistant Senior Instructional Professor
The University of Chicago

In this presentation, Dr. Caterina Fugazzola will discuss her recently published book, *Words Like Water: Queer Mobilization and Social Change in China* (2023, Temple University Press).

The book engages with social movement theory, transnational sociology, and interdisciplinary work focused on queer China and Asia. In her ethnographic work, Dr. Fugazzola looks at tongzhi (LGBT) organizing in the PRC and examines strategies for social change in a context that precludes avenues for direct political engagement.

Please join the talk in person **tonight at 6:30 pm** at the UChicago campus in Hong Kong.
