Message from the Dean

August 2021

Dear Students,

As we begin the fall semester, I wanted to take a moment to reflect on the challenges we have all faced over the past year. Despite the many difficulties, I am proud of the resilience and adaptability of our students, faculty, and staff. I am confident that we will continue to build on our achievements and emerge from this period even stronger.

Dean Fernando Miralles-Wilhelm

MASON SCIENCE AMBASSADOR PROGRAM

New Students to Disrupt the Emerging Contaminants in the Environment Convention
