## 2021 "You Made A Difference" Award Winners

Started in 2017, the "You Made A Difference" Awards began as a way to recognize community members that have given greatly to the disability community through acts of kindness, volunteer

service, inclusion and/or advocacy to improve the quality of life for individuals with disabilities. The You Made A Difference Awards are made possible through memorial donations given by friends and family in memory of JOHN HOUGH and ALAN SCHROEDER. Their legacy in our network lives on by recognizing the difference we can all make in the lives of others.

## A Note from Parent to Parent

We have a 100% track record of getting through tough situations and for that we should celebrate. January always seems to be a tough month to get through and this January was no different. With the let down of the holidays, the gloomy weather, and the surge of Omicron affecting ourselves personally or someone we know, but here we are still standing. Some of us may be standing on one leg, some are a little worse for wear, and I can say most of us are weary. It does not have to be pretty, or look a certain way but we can

proudly say that we can put one foot in front of the other and keep moving. Celebrate this fact and be proud of getting through. Please know that you are not alone in this journey. We are here for you. Please call, text, email your coordinators anytime. We can offer a listening ear, help you find resources, help find answers to questions or just hold your hand.

I want to remind you to check out our website often for resources and the calendar of events. We have many offerings in the month of February for yourself and your family.

Sincerely,  
Angie and Ysabel ♥♥♥
