Dear Signature Partner ,

As the northern hemisphere shakes off winter's grip, Africa's vibrant high season approaches! February's dramatic temperature swings here in Saskatchewan (-47°C to 5°C in just a couple of days) have me eagerly anticipating my return to the African continent this May.

If you're attending the We Are Africa Conference or Indaba in South Africa I would love to connect. Also, we have exclusive Pre and Post FAM opportunities for industry professionals with [Karibu Camps & Lodges](#) in Tanzania and the [Garonga Safari Co.](#) in South Africa.

Need last-minute availability in Kenya, Tanzania, South Africa or beyond? Our "Cool Companies in Cool Places" Spring Specials might be just what you're looking for — see details below in our News at a Glance section.
