JOIN US. MAKE A DIFFERENCE.

We Stand with You. Enough is Enough. Black Lives Matter. Club Sports at the University of San Francisco is incredibly privileged in the fact that we get to work with a diverse student population, and we will continue to always promote inclusion, diversity and equity for all of our participants and coaches. We reaffirm that racism and discrimination will not be tolerated in our program.

Over the next few weeks, the Koret Center will use their social media platforms to post educational resources, petitions, ways to donate and links to organizations doing critical anti-racist work. To view our resources and Koret’s full statement, please see their post from June 4th on the Koret Instagram page (@usfkoret).

We remain dedicated and committed to CSUP’s Social Justice values and Jesuit tradition, and encourage you to take each day and each moment as an opportunity to educate yourself on the current state of our nation’s institutionalized racism. We all have work to do. Let’s do it together!

Sports Quote of the Day

“You may never know what results come of your actions, but if you do nothing, there will be no results.”

- Mahatma Gandhi

Koret Center Closure Update

In an effort to support public health recommendations that aim to protect our community from the spread of COVID-19 and to comply with the City of San Francisco’s shelter-in-place order, the Koret Health and Recreation Center will remain temporarily closed through mid-August.

Club Sports Fall Update

At this time we do not know the reality of what the Fall Semester will look like for the program, however, we are committed and dedicated to having Club Sports available for all students, whether in person, virtual or hybrid. Club Sports provide a safe space, an outlet for academics, relationship building, leadership development, camaraderie, support, and most importantly, connection to the University of San Francisco. Our department is doing everything we can to ensure our students can return to activity safely.

Coaches Summer Working Group

This Summer we will be meeting with the Club Sports Coaches every other week to discuss the transition to virtual, pump the brakes on our expectations, and support each other. It will be a casual and open discussion by no means a formal meeting. Feedback, ideas, comments, concerns, and most importantly, fun. Participate in as many ways as you can. We are here to support you and to make sure our sport is a great one for the Fall.
