JOIN US. MAKE A DIFFERENCE.

We Stand with You. Enough is Enough. Black Lives Matter. Club Sports at the University of San Francisco is incredibly privileged in the fact that we get to work with a diverse student population, and we will continue to always promote inclusion, diversity and equity for all of your students and coaches. We affirm that racism and discrimination will not be tolerated in our programs. Over the next few weeks, the Koret Center will lead our social media platforms to post educational resources, petitions, ways to donate and links to organizations doing critical anti-racist work. To view our resources and Koret’s full statement, please see our post from June 4th on the Koret Instagram page (@usfkoret).

We remain dedicated and committed to USF’s Jesuit values related to justice, and encourage you and every one of your students, donors, sign petition, perform your part in action and actively educate yourself on the current state of our nation’s institutionalized racism. We all have work to do. Let’s all work together.

Sports Quote of the Day

"You may never know what results come of your actions, but if you do nothing, there will be no results." – Mahatma Gandhi

Koret Center Closure Update

In an effort to support public health recommendations that are aimed at protecting our community from the spread of COVID-19 and to comply with the City of San Francisco’s shelter-in-place order, the Koret Health and Recreation Center will remain temporarily closed through mid-August.

Club Sports Fall Update

Club Sports fall update. At this time we do not know the reality of what the Fall Semester will look like for our program, however, we are committed and dedicated to making Club Sports available for our student-athletes (both in-person, virtual and hybrid). Club Sports provides a safe space, an outlet for academics, relationship building, leadership development, camaraderie and support, and most importantly, connection to the University of San Francisco. Our department is doing everything we can to ensure our student-athletes can return to activity safely.

Coaches Summer Working Group

This Summer we will be meeting with the Club Sports Coaches every other week to work through what our fall semester will look like! We will be discussing risk management, health & safety, new protocols & guidelines, remote operations, remote opportunities, and more! These working groups will provide support to Coaches to inform ideas, collaborate, and most importantly, think through ways in which we can help support each and every one of you in the Fall.
