Parting Shot
Erb Memorial Union Ballroom on Thursday, February 2018. She will be overseeing all post-awards functions and will serve as the lead on audits and for the day-to-day transactional work and management of the post-award teams.

Staffing Updates

Innovators, both past and present, for their groundbreaking work in research, the patents our inventors have "We're proud to be a part of this organization, which will allow us to recognize and encourage the many UO by AAU institutions that supports academic inventions and the societal impact of university research.

The University of Oregon celebrated the launch of the first UO Launches National Academy of Inventors Chapter

Dear Members of the UO Research Community,

Rachel Cleveland was the only AAS CASE workshop attendee from Oregon. Her remarkable accomplishments include pioneering research seeking to catalyzing Advocacy in Science and Engineering (CASE)

UO environmental science student Rachel Cleveland recently traveled to Washington D.C. to attend Undergraduate Student Advocates for Research Funding

Catalyzing Advocacy in Science and Engineering (CASE) was founded in 2010 to recognize and encourage inventors with patents issued from the U.S. "It's important for the university to have money to give to students to do their research," Cleveland said.

Community Relations

One of the main talking points when I went to talk with my representatives was to give examples as to why "One of the main talking points when I went to talk with my representatives was to give examples as to why" "It's important for the university to have money to give to students to do their research," Cleveland said.
