Welcome to the Department of Communication's Winter 2020 alumni newsletter! This newsletter has been designed to give you an update on some of the latest happenings in the department. We hope you enjoy reading it and share it with others who may be interested.

Dear Alumni,

I am thrilled to report that the Department of Communication has received record-breaking donation levels, and our eradication efforts have been highly successful. We are making great strides in our mission to communicate with the world.

Department Chair | Joe Mazer

On November 15th, we officially launched our new “Emerging Leaders” program. This program is designed to identify and support the next generation of leaders in our field. We invite you to support this program by making a donation.

Our faculty are achieving national success in their research and teaching. We are proud of our faculty and their work.

Our students are doing remarkable things, and we are proud of them. We hope you will support our students by donating.

We are grateful for your support and look forward to continuing our work.

Thank you,

Department Chair | Joe Mazer

Thank you for your support.
