Changemaker Bootcamp

On Saturday, November 21st from 12-2pm ET, we will take a deep dive into Changemaker Bootcamp. This is a program that offers professional development focused on the skills necessary to be an effective Changemaker. Participants will have a chance to discuss their ideas and receive guidance and support from experts and other participants.

Mindful Minute

Mindful Minute is a short, discussion-based stress-reduction workshop that focuses on simple mindfulness and meditation techniques. Students will learn about the basics of mindfulness and meditation and how it can be applied to daily life.

Civic Leadership Dialogue: Advocacy Ethics

Advocates and leaders know that leadership and social change require effective advocacy. Does your leadership style promote ethical considerations? Does how you make the case matter as much as you think? Join Peter Loge for a discussion about what, if any, ethical responsibility you have as a communicator.

Recruiting Leaders!

We are currently looking for student leaders to join our team at the Noshman Center! These positions involve coordinating events, promoting community engagement, and providing support to other students. You can come to one session or stay for the full program! You can apply to be the Donor Relations Coordinator at DC Central Kitchen.

You Voted, What Now?

You voted, what now? It’s time to make your voice heard! Civic engagement comes in many forms, but one of the most important is voting. This year due to COVID-19 restrictions, we are unable to collect and distribute physical gifts, so we are now offering a unique opportunity to support GW’s support for civil rights and social justice.
