Dear Students and Families~

Greetings from a masked Dean of Students!

I hope you and your family are well. I am excited and ready to meet you all but know this fall might be different than what you are used to. To that end, anticipate a few necessary expectations upon your arrival.

Due to COVID, this fall the Recreational Eagle Center (REC) will look different with the use of face coverings, physical distancing, and sanitation measures. This is an effort to make sure you can continue making connections and fun memories here at UWL.נבוט את המפרסמים בחברת UWL: pcoupled.com/1nD52Km
