Real Estate Market
Analysis seminar

In the first of monthly seminars, CCU Faculty, Dr. Tom Fugate, and CCU student, Andrew Johnson, presented a real estate market analysis focusing on the Conway, South Carolina area. Dr. Fugate explained the housing market trends and how they have changed over the years. Andrew Johnson provided an in-depth analysis of the housing market applying regression models to his data. The seminar included topics such as housing demand, supply, and the effects of various economic factors on the housing market.
