New UCPath CORE Budget Distribution Page Module

The Campus Budget Office (CBO) is excited to announce the launch of the **UCPath Budget Distribution Page (BDP)** on Wednesday, September 25, 2024. Moving forward, BDP will be used to identify the faculty and staff positions to be included in a department's core recurring staffing list that will drive the compensation expense budgets in EPBCS. Ahead of this launch, we want to share information on access and training so potential users of BDP are prepared.

Access to this Budget Distribution Page will require the completion of two short training modules on the UC Learning Center. These modules are:

- [UCPath CORE: Overview](#)
- **NEW!** [UCPath CORE: Budget Distribution Page](#)

The Campus Budget Office will also be holding [several instructor-led training sessions](#) at the end of September and into October. These two hour sessions will cover the processes for searching, entering and updating budget distribution data with BDP.

If you are **responsible for providing guidance on position funding entries** or **have oversight of compensation budgets in EPBCS for your department**, please plan to attend. [Click here to register for an instructor-led training session!](#)

Additional information regarding the new BDP page, along with instructions on how to access the BDP page in UCPATH, will be shared in the following weeks. Stay tuned for more information!

Upcoming UCPATH System Downtime

Be sure to take any necessary UCPATH actions prior to the outage.
