Dear Colleague

Greetings from a sunny and calm day in the Caribbean, where I'm enjoying a few days off before embarking on a new adventure with my colleague Jenna: We're heading to **Kenya** for the pre-opening of our new client, the **JW Marriott Masai Mara Lodge**!

Like every month, we're bringing to you amazing and exclusive deals from our clients in the Americas portfolio: **Enchanted Expeditions (Galapagos Islands, Ecuador)** is offering up to 40% off on selected departures dates during February and March; **La Coralina Island House (Bocas del Toro, Panama)** has launched an amazing Easter Package to take advantage of in April; and **Hotel Las Torres Patagonia (Torres del Paine National Park, Chile)** is offering one free night in Santiago or Punta Arenas for travelers enjoying Patagonia during March and April.

But not all travel is last minute. If you're already planning summer vacations or even Holiday Season getaways for your clients, **Colombian Journeys** and **Chile Concept** can help you create unique itineraries that showcase the best of those beautiful South American countries.

Take a break on your busy day, enjoy reading this month's newsletter, and start planning that once-in-a-lifetime trip for your clients (or why not you and your loved ones too!).

Best regards,

Ana, on behalf of The Emerging Destinations team (Jane + Jenna + Ana)
