BE a Responsible Citizen of the World

[Click Here](#) for our NEWLY released video.

We are excited to share **the final part** of our 5 part series highlighting each peace action to help you better understand their meaning and encourage you to integrate them into your daily life.

With over 1100 Peace Ambassadors around the world, we are learning first hand from **YOU**, the difference you are making in your home, communities and countries.

Please view and share with others on the journey to make the world a more peaceful place. At the end of [the video](#), there is a call to action to send us notes and pictures so that we may feature your efforts in our newsletter and on our website.

Peace it forward!
