Snow Removal

Over the holiday break, crews focused on snow and ice removal during the winter storm conditions. Did you know a map layer identifies priority entrances, streets, and pathways?

Years of Service

Kudos Korner

Good Morning,

I would like to single out the excellent customer service Sandi Henley always provides whenever I need her assistance. She has such a positive and sunny disposition that even when she's frustrated one is led to believe she's still smiling. Sandi never complains and always looks for a positive solution/side if something seems to be befuddling. I enjoy working with her and always appreciate the follow up conversations we have when we're working on a matter together. She's an excellent employee who CPFM is very lucky to have on staff.

Thank you,

Susan M. Osterman

Gosh, Susan!

That is so sweet of you to say! Thank you for your kind words. I appreciate all that you do for Facilities, as well. We couldn't do our work without your help and support. You're always responsive and have patiently navigated me through the (sometimes cumbersome) UO processes over the years. I can't tell you how many times I've relied on your expertise.

Having great working relationships makes such a difference—it definitely takes a team.

Thank you again. I'm really touched!

Subject: Kudos to Griselda, Kaleb and Judy- They have done such an amazing job at Willamette Hall this year.

We wanted to pass on our heartfelt gratitude for the amazing job that Griselda Garcia, Kaleb Kercher, and Judy Haines have done as our custodians at Willamette Hall this year. We know that Judy is now at Ford Alumni, but we also wanted to send kudos her way!

Griselda, Kaleb, and Judy are unsung heroes that walk the halls of our building every day to make sure our students, staff, faculty and visitors have a safe, clean place where they can work, learn grow and thrive. We know the custodians are responsible for much more than sweeping the floor and turning off the lights in the evening. Griselda, Kaleb, and Judy's professionalism and dedication is our first line of defense against bacteria and viruses. They have provided us a clean and safe environment and it is much appreciated.

This last year has been full of uncertainty, Griselda, Kaleb, and Judy have been fearless and we thank them for that! They show up every day, work long hours and helped continue to keep all of us safe and healthy.

We thank all three for their dedication. They are always looking to see what needs to be done and they do it before anyone else points it out. We appreciate their caring ways and they go above and beyond expectations in the performance of their duties.

Griselda, Kaleb, and Judy are wonderful role models, saying hello to everyone, willing to lend a hand and most importantly, caring for the well-being of everyone here.

Thank you Griselda, Kaleb, and Judy!! You have made Willamette Hall sparkle!

Subject: RE: UHS D116 - remove and replace flooring with marmoleum tiles

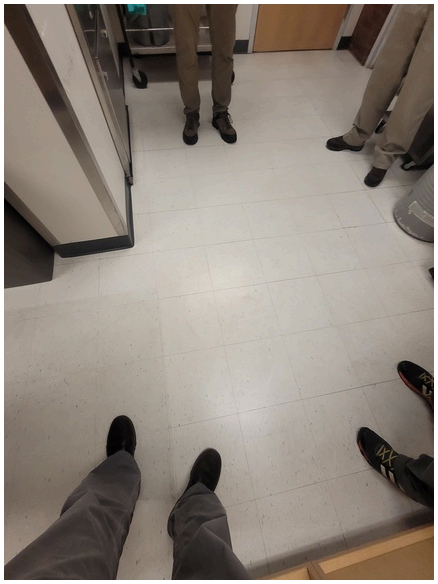

Hi All,

The flooring has been installed and looks great. Awesome Job. I appreciate all the hard work and great service from you and the crew.

Hope you all have a wonderful holiday season.

Thank you.
