I am writing to update everyone regarding the removal and replacement of flooring in D116. The installation of marmoleum tiles is currently underway, and we expect the work to be completed within the next week. We appreciate your patience during this process and will keep you informed of any updates.

Thank you.

Hope you all have a wonderful holiday season.

From all of us at Willamette Hall!!

Thank you...for all of your hard work and dedication. Your friendly positive can do attitude is what makes Willamette Hall sparkle!

Thank you for always being willing to lend a hand and most importantly, caring for the well-being of our students. Thank you Griselda, Kaleb, and Judy for your work here. We know you are not the only custodians here, but we do appreciate your caring ways and they go above and beyond expectations in their work. They show up every day, work long hours, and do their job well. We appreciate their caring ways and they go above and beyond expectation in the performance of their duties.

They have been fearless and we thank them for that! They show up every day, work long hours, and do their job well. They are not just custodians, they are our unsung heroes that walk the halls of our buildings and they are an example of what good work in facilities and maintenance looks like.

We also wanted to send kudos her way!

Griselda Garcia, Kaleb Kercher, and Judy Haines have done such an amazing job taking care of Willamette Hall. We have been very impressed with their work and the attention to detail they have shown. Thank you for your hard work and dedication to making Willamette Hall a safe and welcoming place for all.

Thank you again. I'm really touched!

Griselda Garcia, Kaleb Kercher, and Judy Haines have done as our custodians in the past, but they have taken it to a new level in the past month. They have been fearless and we thank them for that! They show up every day, work long hours, and do their job well.
