Dear Colleague

As you're receiving this monthly newsletter, I'm boarding a plane to **Panama**, where I'll be leading an educational trip to experience the gorgeous and newest luxury resort in **Bocas del Toro — La Coralina Island House**.

Please follow my trip on social media or sign in [here](#) for the day-by-day itinerary webinar I'll be conducting on **October 4th**.

On another note, it's with mixed feelings that our colleague Jessie is leaving the company by the end of the month. She joined Emerging Destinations eight years ago and has always been a great pillar for Jane. We will miss her commitment, professionalism and passion. We're proud of her growth and sure she will rock it in her new position at Singita.

Lastly, in the past few weeks, some of you have been contacting us asking for help during the **Festive Season**. We know it's not easy to find a room at this time of the year. But our clients in the Americas' portfolio still have availability either for **Christmas** or **New Year's Eve**. So please drop us a line with your last-minute requests and we will assist you and make the connections as needed.

In the meantime — and while you look for travel inspiration — pour yourself a glass of wine (or a cup of coffee if you're still at the office) and read our blogs below.

I look forward to your booking requests . . . **Central and South America** are waiting for you and your clients!

Best regards,
