Fall 2021 Department Newsletter

A Message from the Department Chair, Professor Suzanne Week

COVID-19

We must all follow the guidelines of the University regarding the COVID-19 pandemic. The University will release and post updates in the newsletter and on the website throughout the semester. The University also urges and helps its employees to urge and, if needed, to help employees outside of your classroom door if they have any questions or requests!

Please refer to the website regarding COVID-19 procedures for these employees.

Handbook

The handbook will be posted soon.

Fall 2021 Department Newsletter

Reminders for instructors:

You are expected to email your class on any updates to the teaching schedule. If you haven't done so yet, please take a look at the information on the university transition to online teaching.

Lecture Capture

If you haven't done so yet, please take a look at the Lecture Capture Video. If you have any questions or requests, please contact Contact-Ceceilia Loeschmann. She will be in on Mon. & Tues. Other days, you can email her at loeschm@uwm.edu.

Tutoring

Tutoring is in Bolton 180. We anticipate some instructors having some tutoring and proctoring available in the linked collection (Lecture Capture Video). If you have any questions or requests, please contact your tutor or proctor. They are welcome to use the space and have their own copies. But due to this, please allow more time to make copies during peak times (between classes). Please allow time to make copies in the peak times (between classes).

Photocopiers

There will still be the smaller color copiers from the copy room. There will still be the smaller color copiers from the copy room. There will be one large copier in the main office as backup. But due to this, please allow more time to make copies in the peak times (between classes).

Copying

Just remember - this semester is going to be different than each one before. Please read the newsletter carefully - it contains some important dates (like the start of the semester). With that, I will let you get to the rest of this newsletter!

Nearly all of us are finally physically behind. This fall's Welcome Back is larger than ever! We say goodbye to retirees Prof Jay Beder, Hans Volkmer, and Yi Ming Zou.
