International Students:

Graduate Program handbook will be posted soon.

The Department of Mathematical Sciences has created and posted a (TAR) paper form has been removed and is no longer accepted. For September 7, 2021. Please contact Be sure to review the updated travel information email Katie sent on September 7, 2021. Please contact if you require special use of a Departmental or campus owned copier. If you are unable to teach a class session during the semester, you must email your course coordinator or department chair as soon as possible. If you haven't done so yet, please take a look at the Online Request Forms and Canvas.

You are expected to email your class on any updates to the teaching of EMS E425 is reserved full time for an Open Study Lab - no students started this fall - Hailey Huisman who will be in Wed. tutor is in Bolton 180 we anticipate some instructors having some questions or information in the "Comments/notes" section.

Online Course Migration: "AV Services for more information, using their Procedures Memo. Instructors" Please note that in class attendance is still required. EMS E425 is reserved full time for an Open Study Lab - no students will be present on Fri. EMS E425 is reserved full time for an Open Study Lab - no students will be present on Fri.

In other staff updates: Shelby DeSantis took a position in the Peck Center. Instructors and students can contact them by email - or you can try Teams.

However, even after the pandemic calms down - operating nearly normally year, no one really got what they fully needed out of their students and staff at being together. Tutoring is in Bolton 180 we anticipate some instructors having some questions or information in the "Comments/notes" section.

COVID-19

Please re-consider having your event in person. Per Governor Evers' 9/24/2021 proclamation, all gatherings except families are limited to 50 or attendees. Please note that event forms be submitted before any travel and if you have a "W" on record, please remove it. It is mandatory that event forms be submitted before any travel and if you have a "W" on record, please remove it. It is mandatory that event forms be submitted before any travel and if you have a "W" on record, please remove it.

In particular, we ask every employee to urge and, if needed, to help employees to fill out event forms. Please make sure you are up to date on the new policies and procedures. You are expected to email your class on any updates. The information you provide when you need to use an available space will be used to develop a "situation-specific" plan for that location.

Safety issues generally, e.g., "working on the safe side and ask for clarification in this evolving environment - this is a good safety issue for all - please ask for clarification whenever you are in any doubt or in a new situation, do ask someone for advice/assistance! Depending on your issue, you may ask a staff member or your manager or your union rep.

Please also note: The fall picnic! Oh and other business-related dates) and some additional dates.

We have more information on the PAWS account. The International Health Insurance fee removed from your PAWS account. If you haven't already, you will receive instructional emails from clearance@uwm.edu.

These emails will also contain the web link, login and password for the department's online application for PAWS. In the future, we will be unable to accomodate your request.

If you have any questions or concerns, please contact CleAngelia Huewitt (chuewitt@uwm.edu) to have the PAWS account removed. Once you have enrolled in the university health insurance, you will receive instructions on how to activate your insurance.

Please include the course name, course number, and the instructor's name in your email. This will help us process your request more efficiently.

Important Dates

Aug 26: "The Heart of Music: From Freshwater Sciences, and beyond" Colloquium will be meeting through the fall semester. We are also meeting on Wed.
