LSU president Dr. M. K. Mullen shares his words of wisdom for parents of first-year Tigers:

"As your student begins their college journey, it’s important to remember that while they are learning to be independent, they also find comfort in knowing that you are there for them. We want to provide a space for your student to connect with their peers and feel supported. Join us for the annual Tiger Family Welcome Week to meet your student's new friends and explore the LSU community."
