Submit Organization Photos to the Terrapin Yearbook

The Terrapin Yearbook has a spread that gives clubs and organizations an opportunity to submit their group's photo. This is an amazing way for seniors to remember their associations, friends and memories. It also gains awareness and exposure for other clubs.

We tried to include as many people as we could last year and want to do the same this time. Please help us by submitting your club's photos by **late March/early April**.

Which photos are acceptable?

- * 5x7 group shot
- * Clear, well-lighted
- * HIGHEST resolution/quality (300 DPI file - can be resized in Adobe Photoshop)
- * Taken with a professional camera if possible
- * Max 3 submissions

How to submit?

- * Go to terrapinyearbook.com and click "Submit a Photo to the Yearbook"
- * Fill out required information:
- * Quick bio of club (3-4 sentences) in "Photo Caption"
- * Members in photo(s) left to right and specifying graduating seniors in "More Info About Photo"

We appreciate the effort and hope to see your organization in the yearbook!

Yeah. There's a club for that.

OrgSync Tip of the Week: Connect your Social Media Pages to OrgSync

DID YOU KNOW that you can connect all of your student organization's social media pages to your OrgSync pages? This will help potential new members stay on top of your group's most recent meetings and events. Here's how to do it.

1. Log into OrgSync and select your group in "My Memberships"
2. Select "Settings," then "Organization Settings" on the right corner of the page
3. On the left side, click "Social Media Links"
4. Copy/Paste the links to your group's pages for Facebook, Twitter, Instagram, Youtube, Google+, LinkedIn, Tumblr, Pinterest, Flickr...
5. Click "Save Links"

...and that is the word on the OrgSync tip of the week!

For the final word, it's time for our...

STUDENT GROUP HIGHLIGHT OF THE WEEK:

African Student Association

The mission of the African Student Association is to increase the awareness of diversity and multi-cultural aspects of Africa and the African people. The

association will also strive to produce interaction between African Student Association members and campus students of different races, ethnicities and religions. We will hope to make this organization a meeting place and a tool of instruction and learning. A place where people from various fields of affluence and study will meet, discuss, and exchange ideas in the spirit of unity and humanity. The African Student Association will encourage all events that broaden the spheres of culture, society, education and community service.

We welcome everyone of all tribes, religions, races, and ethnicities. Come learn and share our culture and most especially share yours. We represent the culture and all the beauty Africa has to offer, Join us 5 pm every Wednesday, for our weekly general body meetings at the Nyumburu Cultural center (Multipurpose room) located beside Stamp.

And that's the Word.
