On the Cover

"Pecos Pueblo diorama," 1940. Artist Stuart Travis interpreted Alfred Vincent Kidder’s Pecos excavations in his diorama of the site, which features the site stratification and Kidder’s temporal sequence—a cornerstone to many classes and tours for Phillips Academy students and visitors. The diorama is still on view at the Peabody today and is integrated into many classes and tours for Phillips Academy students and visitors.

Our last newsletter of the fiscal year includes my favorite archaeology books, the kickoff of our new Diggin’ In digital series, and memories of long-time Peabody supporter John Lowell Thorndike '45.
