Diggin' In: Digital Speaker Series

Part of the missions of both R.S. Peabody Institute and the Massachusetts Archaeological Society is to engage and connect with all who are interested in archaeology. Since we are unable to do this in person, both institutions are excited to announce our joint digital speaker series: Diggin’ In.

Summer Reading, Archaeology Edition

Looking to do some reading this summer? Peabody Director, Ryan Wheeler, shares his reading suggestions.

Diggin’ In: Peabody and MAS Digital Lecture Series

Every other Wednesday at 1:30 pm (EST) via ZOOM
Upcoming episode dates for July:

On the Cover
"Pecos Pueblo diorama," 1940. Artist Stuart Travis interpreted Alfred Vincent Kidder's Pecos excavations in his diorama of the site, which features the site stratification and Kidder's temporal sequence—along with numerous vignettes of life at the pueblo. The diorama is still on view at the Peabody today and is integrated into many classes and tours for Phillips Academy students and visitors.
