"Pecos Pueblo diorama," 1940. Artist Stuart Travis interpreted Alfred Vincent Kidder's Pecos excavations in his diorama of the site, which features the site stratification and Kidder's temporal sequence—along with numerous vignettes of life at the pueblo. The diorama is still on view at the Peabody today and is integrated into many classes and tours for Phillips Academy students and visitors.

Our last newsletter of the fiscal year includes my favorite archaeology books, the kickoff of our new Diggin’ In digital series, and memories of long-time Peabody supporter John Lowell Thorndike ‘45.

Looking to do some reading this summer? Peabody Director, Ryan Wheeler, shares his reading suggestions. Enjoy!
