Move-In Miami

Wednesday & Thursday, August 22 & 23

First year students will be moving onto campus in August, and they need your help! Take advantage of the excellent opportunity to get your organization's name out to potential new members while making our new students feel at home at Miami.

Please only sign up if you can make a commitment to your organization, the Office of Student Activities, and Miami University that you will be present to help first year students during your assigned shift. You must sign up as an individual. Every attempt will be made to assign organizations to adjacent residence halls so that members of your group will be working together.

Please expect to receive a confirmation and your assigned time slot with additional information on or before August 17.

Please note: if you are living on campus in the fall and want to move in early to participate, you will be charged extra for the additional days you occupy your residence hall room. For this reason, it is recommended that primarily Juniors and Seniors from your group volunteer for this opportunity.

When signing up, you will select which shift you are interested in working. Keep in mind that you will be assigned to every shift for which you sign up. Only select multiple shifts if you are interested in working each of them. Participants should arrive at Armstrong Student Center fifteen to twenty minutes before the scheduled shift to check in and receive hall assignments.

Shift times:

- Thursday, August 23 | 8:30am - 12:30pm
- Thursday, August 23 | Noon - 4:00pm
