O'Toole comments on Prince
Andrew's legal troubles

by Victoria Bekiempis

Great Britain's Prince Andrew may face in speaking to U.S.
O'Toole welcomes British law enforcement authorities about the Jeffrey Epstein case.

Many may recognize this quote from Nelson Mandela, the great anti-apartheid revolutionary, Nobel
Peace Prize-winning president of South Africa, included as a way to motivate against difficult
unprecedented times. These sentiments appear on our t-shirts, stickers, and social media channels as
a means of support. Of inspiration.

At the beginning of this semester, we selected a few meaningful quotes to help guide us through these
unimaginable fear of a global pandemic, bolstered by

Throughout 2020, we have looked beyond
foster innovative learning opportunities, and perform important research.

technology to build meaningful virtual connections, all to provide a high quality science education,
the hope of a safe campus, classroom, and laboratory environment or the evolving ability to leverage

Many researchers are working hard to find a means of support. Of inspiration.
